MEMORANDUM ORDER

Vehicle Inspection Systems, Inc. ("Vehicle Inspection") has just filed its Answer and Affirmative Defenses ("ADs") to the Complaint brought against it by City International Trucks, Inc. ("City International"). That responsive pleading asserts a totally different set of transactions involving the diagnostic equipment referred to in the Complaint than City International's Complaint has alleged. What is troublesome about both sides' filings, though, is that neither has seen fit to provide this Court with copies of the relevant documentation so that it can address the issues posed by the Complaint and the numerous ADs.

With the initial status hearing date in this action having been set for February 13, counsel are ordered to deliver copies of the relevant documents to this Court's chambers on or before February 11. This means City International's counsel must provide copies of any documents that evidence the "Contract" referred to in Complaint ¶¶3 and 4, Vehicle Inspection's counsel must deliver copies of all documents that evidence the

5

transactions as referred to in the ADs, and both sides' counsel must provide copies of any other documentation that they deem relevant to the parties' dispute.
